## **TMS INTERNATIONAL**

TMS International is one of the largest global providers of outsourced environmental and industrial services. Since 1926, TMS has set high standards in environmental responsibility through recycling, maintaining energy-efficient operations, processing by-products for beneficial reuse and developing innovative, 24/7 programs designed to reduce greenhouse emissions and help customers reduce their carbon footprint.

### **INTEGRITY IN EVERYTHING WE DO**

TMS has an exemplary reputation for doing business with integrity and according to the highest ethical standards. Integrity is ingrained in every aspect of our business culture. From administrative offices to our on-site facilities, our word is our guarantee. We also take seriously the requirement that every employee comply with all applicable laws and regulations as well as our ethical code of conduct and conflict of interest policies.

## **ENVIRONMENTAL LEADERSHIP & MISSION**

TMS's services help steelmakers minimize their environmental impact and contribute to a greener world by recycling scrap metals, maintaining energy-efficient operations and processing all byproducts for reuse. We believe we have a responsibility to take care of our planet and preserve its beauty, resources and strength for future generations.

## **SAFETY FIRST**

On every job site, we follow a rigorous safe-work program that meets or exceeds all government requirements for employee safety. Our goal is zero accidents, injuries and incidents at the facilities we service. We attribute our excellent record to our behavior-based observation program, strict adherence to safe-work procedures and a full-time safety team that works at locations throughout the world.

## **TRAINING**

While operating within systematic management controls, TMS site teams are experienced, trained and certified in their respective areas of expertise. The company offers a wide array of training programs that include extensive on-the-job training; virtual classroom training; and online training, leadership programs, coaching and mentoring, just to mention a few.

## DIVERSITY

TMS values the contributions and opinions of all employees. TMS partners with Diversity Jobs, as it strives to promote a diverse and inclusive workplace.

## COMMUNITY COMMITMENT

The company's involvement with the community evolves from a strong sense of corporate responsibility. The operating procedures at our facilities protect the environment in neighboring communities, while our support of community activities and services fosters growth and goodwill throughout our service region. TMS supports a wide range of worthy organizations.
